

Wireless Cell Phone Services in Ohio

The following organizations provide free or reduced cost mobile phones with wireless services, to qualifying individuals. You may be eligible for these services if you are currently receiving:

- Medicaid
- Federal Public Housing Assistance (FPHA) or Section 8
- Supplemental Nutrition Assistance Program (SNAP/Food Stamps)
- Veterans or Survivors Protection
- Supplemental Security Income (SSI)
- And/or are at or below 135% of Federal Poverty Guidelines

Typically, in order to provide free or reduced cost mobile phones with wireless service, the organizations must receive documentation such as:

- Name of the benefit qualifying person
- Name of the qualifying program (such as SNAP)
- Member card issued by a federal, state, or local government, program administrator or managed care organization (MCO), or Tribal program
- Issue date within the last 12 months or have a future expiration date
- Current income equal or less than 135% of the federal poverty guidelines

For more information, and to determine if you qualify for free or reduced wireless services, please contact the organizations directly.
