

## Peer Leaders Aspiring for a New Tomorrow

—A cohort of 12-14 year-olds leading the way in kindness—

**The WHY:** We believe in the capacity of our kids to change the world.

We are excited to give our 12-14 year-olds the opportunity to continue their kindness journey by joining our Seeds of Caring PLANT program.

Growing youth will continue to develop empathy, passion, and leadership skills by leading and inspiring youth in service and by supporting Seeds of Caring's mission through a variety of opportunities.
