

Gives New Yorkers low-cost or free health services from the NYC Health + Hospitals System. If you do not qualify for a New York State health insurance plan or cannot afford a New York State Health Insurance plan under government guidelines, you may qualify for NYC Care.

## ELIGIBILITY

- You must have been living in New York City for six months or more
- You must NOT qualify for a health insurance plan available in New York State
- You must NOT be able to afford a health insurance plan available in New York State

\*NYC Care is only available in the Bronx now BUT, will be available in the other boroughs by the end of 2020\*

For more information or to apply to NYC Care, call (646) 692-2273 or visit, [nyccare.nyc/about](https://nyccare.nyc/about)
