

AFTER SCHOOL PROGRAMS

Did you know? After school programs improve school performance and physical health, lower risky behaviors, and are a safe environment for children of working parents.

After school Programs take place right after school, in the evenings, weekends, summer vacations, or holidays

Activities may include: Homework Help * Sports and Activities * Arts, Computers, Technology * Community Service

Youth and Community Development Programs (DYCD)

Free, located in different areas of the city

To enroll contact the afterschool program staff at your child's school or visit: www.dycdportal.nyc/discoverdycd/home
use the *afterschool* filter

Programs are offered 3 hours each day, 5 days per week.

NYC Parks Department

Free program for ages 6-13 on weekdays from 3:00 PM-6:00 PM

Registration begins mid-August, enroll your child here: www.nycgovparks.org/programs/recreation/afterschool

The YMCA

Y After School gives children additional learning material and provides a chance to make and talk to friends, creating the opportunity for better self-confidence and growth. Programs are offered at little or no cost to parents.

For more information, visit: ymcanyc.org/programs/kids-family/y-afterschool

More Programs (Kindergarten-12th Grade)

NYC offers kids and teens free or low cost after-school and summer activities from paid museum internships to free science research programs.

Visit: insideschools.org/resources/free-programs to search for programs by grade, location, subject, and schedule.

PAL After School (Kindergarten - 8th Grade)
