Do you know SNAP is the new name for food stamps?

SNAP FACTS:

*Income guidelines to qualify for SNAP benefits can change each October.

*The average benefit amount in Philadelphia is $130.

*For adults 60+, medical expenses over $35 can be counted and can increase benefits.

*SNAP can be used to buy food-bearing plants and seeds, as well as food items.

*SNAP can be used at dozens of farmers’ markets.

*Receiving SNAP does not take benefits away from someone else; everyone who is eligible can participate by applying.
