

*Advancing Women in Transportation*

## PHILADELPHIA CHAPTER

WTS Philadelphia awards scholarships to women from high school to graduate school who are interested in pursuing careers in transportation. The scholarships are competitive and based on the applicant's specific transportation goals, academic record, transportation-related activities, and other relevant skills

### Scholarships

- **TransportationYOU High School Scholarship**  
Female high school seniors currently studying math, science, and technology; considering a career in a transportation-related field with a GPA of 3.0 or higher.
- **Junior College/Trade School Scholarship**  
Female students currently enrolled in a community college, technical school or trade school in a transportation related field with a GPA of 3.0 or higher.
- **Suzanne Axworthy Undergraduate Scholarship**  
Female students currently enrolled in an undergraduate degree program in a transportation-related field, such as transportation engineering, planning, finance or logistics; plans to pursue a career in a transportation-related field; GPA of 3.0 or higher.
- **Sylvia Alston and Carmen E. Turner Graduate Scholarships** Female students currently enrolled in a graduate degree program in a transportation-related field, such as transportation engineering, planning, finance or logistics; plans to pursue a career in a transportation-related field; GPA of 3.0 or higher.
