

Apply for Unemployment Compensation!

Unemployment compensation can put cash in your pocket when you have lost your job through no fault of your own.

If you are out of work or are losing hours because of the current public health crisis, you should qualify for Pennsylvania Unemployment Compensation.

Apply online at www.uc.pa.gov or call the statewide number at 1-888-313-7284.

Please note, it may be difficult to reach UC by telephone during high volume times.

After you apply for unemployment, every two weeks you must **file a claim** at www.uc.pa.gov or by calling **1-888-255-4728** and

- Report any hours you worked
- Report any PTO you received
- Report any pay you received

We recommend reaching UC with questions using their online chat system at www.uc.pa.gov.

If you need **additional help** or are **denied benefits** for any reason, please contact **Philadelphia Legal Assistance** and we may be able to offer you **free legal representation**.

We offer 24/7 online intake at www.philalegal.org and telephone intake **Monday-Thursday** from **9:30am - noon** at **215-981-3800**.

Have your **hours been reduced** because of the Coronavirus or its impact?

Have you been **temporarily laid off** or has your workplace closed?

Were you **sent home** due to minor symptoms?

Do you need to **care for a family member**?

Were you fired when you **refused to work in unsafe conditions**?

Did you quit to **avoid unsafe conditions**?
