

# Housing Help - COVID

Scan the QR Code with your Phone Camera to view these and more on Cap4Kids.org

**Emergency Rental Assistance Program** If you have lost income due to COVID, you can apply for rental assistance. You do NOT need to have tested positive for COVID. Will run until September 30<sup>th</sup> or funds run out. If you do not have a SSN, you can use an Individual Tax Identification Number (ITIN) as an alternative to the SSN required on the application. The ITIN process could take time, so you should request an ITIN ASAP.
