<https://naiopphila.org/home/naiop-drexel-program-landing-page/>

All High School Students. Temple University [Teen Research Internship Program \(TRIP\) Initiative](#)
TRIP is an intensive 5-week science exploratory program for select high school students from Philadelphia and the surrounding communities. At its core, the program aims to **foster a love for science** whilst building resiliency, communication and critical thinking skills outside the traditional confines of school. Must have completed Biology
<https://www.tripinitiative.com/program-details.html>

Juniors- During this seven-week paid internship, participants will work at **Philadelphia's leading arts organizations**, attend rigorous professional development workshops and tour our region's most important cultural sites. This is an amazing opportunity to develop vital professional skills while exploring Philadelphia's rich arts and culture community. <https://philaculture.org/bloomberg-arts-internship>

Juniors- iCamp is a **free media academy** held at **West Chester University**. We invite high school juniors and rising seniors from the Philadelphia School District to join us in making media that matters. We produce films, games, podcasts & audio, and web sites, but our passion is working with youth to effect social change. Learn new skills. Make new friends. Live in a college dorm. Work on challenging and fun projects. Craft media that represents your voice and your perspective. There are 4 media tracks. **No prior experience necessary!** - <https://www.wcupa.edu/arts-humanities/communicationStudies/iCamp/>

10-11th Graders- **U Penn Summer Mentorship Program**

Choose a major and study Dental Medicine, Engineering/IT, Law, Medicine, or Nursing during this 4-week program at the University of Pennsylvania. <https://smp.vpse.upenn.edu/>
